31	1 A kinder world starts close to home. Do one small thing today that makes your community a better place for everyone.	2 Pick up five pieces of litter.	3 Learn about a kindness tradition from another culture or community.	4 Donate a book to a Little Free Library or community organization.	5 Thank someone who helps keep your community running.	6 Skip single-use plastic today and choose a reusable alternative.
7 Highlight a community service project and help others discover its impact.	8 Join a local community-sharing network and help keep items out of landfills.	9 Celebrate the many cultures that make your community special. Visit a cultural center, explore a free community event, or learn about a tradition different from your own.	10 Turn off lights in empty rooms and help conserve energy.	11 Send a message of appreciation to someone serving their community or stationed away from home.	12 **World Kindness Day is tomorrow!** Imagine if everyone did one kind thing. What could happen? Start a ripple of your own today!	13 **Happy World Kindness Day!** One Act. Endless Possibilities. Start a kindness ripple, pass it along, and see where it goes! Share information or support a meaningful cause.	19 Discover an organization making a difference somewhere in the world. Share its mission with someone who might be inspired.	20 Volunteer your time to a cause in your community that could use an extra set of hands.
21 Support a community garden, park, or other shared green space.	22 Share a positive story about someone making a difference in the world.	23 Help someone discover a local organization or service that could benefit them.	24 Send a holiday card or message of encouragement to someone far from home.	25 Take a moment to appreciate the community you share. What's one thing you can do to help make it better for everyone?	26 **RAK Friday!** Choose secondhand or reused items when shopping this holiday season.	27 **Small Business Saturday!** Support a local business and help your community thrive.
28 Share an extra item, supply, or resource with a community group that needs it.	29 Encourage someone else to join you in caring for a shared space.	30 A kinder world begins with the choices we make every day. What will you do to help kindness grow beyond November?	1	2
