

The Integral Worker

SKILLS & STRENGTHS

VALUES & BELIEFS

- Transparency from management
- A team that doesn't take shortcuts
- Quality control
- Security Measures
- Clear expectations and accountability

INTEGRITY IN THE WORKPLACE

SEE

Look for closed body language (arms crossed, no eye contact) when talking with colleagues

HEAR

Practice active listening and ask questions

DISCUSS

Leave room for different perspectives on the same topic or task.

DO

Speak honestly, but pay attention to tone and emotions as well

ADJUST

Don't jump to conclusions—seek to understand.
